PROFESSIONAL SUMMARY

My name is Fredrick Nasser Claudi, I am a Business Information Systems professional dedicated to bridging the gap between complex data and actionable business solutions. I am proficient in transforming raw data into clear insights using tools such as **SQL, Tableau, Microsoft Power BI and Excel**. Beyond managing systems, I do **Full Stack Development**. Having earned certifications in **Data Analytics, Business Intelligence, Cybersecurity and Effective Leadership**, I bring a versatile skill set capable of excelling in cross-functional roles. I am confident that my technical rigor and strong commitment to excellence make me a standout candidate for your team.
